Sports Day Report 2018-19

Playing sports can teach valuable life lessons and foster a sense of discipline, camaraderie & belonging. These are values we look at inculcating within our students to develop a holistic disposition. With this objective, we arrange annual sports day.

Students and staff members gathered for the much-anticipated annual Sports Day celebration, filling the Mumbai University Sports Pavilion with vitality and excitement. The competition was a celebration of sportsmanship, friendship, and friendly competition that showed off the skills and zeal of the students from hotel management specialties.

An energetic opening ceremony marked the beginning of the day, and the institute's Principal gave a motivational speech during it, stressing the value of athletics in maintaining a well-rounded and disciplined personality in the hospitality arena. Students took the oath of sportsmanship and developing sound reading habits. The principals officially kicked off the sports day with a start of a 100-meter race.

Participants prepared for a variety of events, from track and field, requiring both physical skills and strategic thinking, and the energy was high. Students pushed themselves to the maximum and raced for victory in the sprints, relays, 100, 200, 400 meters made up the track events. The students' power and skills were on display in the field sports category, which included long jump, shot put, and discus throw.

An award ceremony marked the end of the day, during which the winners of various competitions were given medals and trophies. However, the participants' sportsmanship shined through, applauding one another and appreciating the efforts made by all.

ANNUAL SPORTS REPORT 2019-20

Playing sports can teach valuable life lessons and foster a sense of discipline, camaraderie & belonging. These are values we look at inculcating within our students to develop a holistic disposition. With this objective, we arrange annual sports day.

Mumbai University Sports Pavilion was a riot of colours, vigor, and competitive spirit during its yearly Sports Fiesta. The occasion was a magnificent display of the various abilities among the pupils, encouraging physical health and developing a sense of community among them.

The start of the ceremony was signalled by the College Principals. Heart-pounding races were held on the track, while exciting long jump, shot put, and discus throw were played at the sports stadium. The tug-of-war match sparked a lot of excitement as competitors demonstrated their physical prowess and sense of cooperation.

The Sports Fiesta concluded with the closing ceremony as the sun set. The champions stood as a monument to their commitment and effort, wearing medals and holding trophies aloft. The connections made, the sportsmanship lessons gained, and the celebration of holistic development, however, where the actual substance of the event rested.

Within the context of the hotel management sector, IHM College of Hotel Management provided examples of the value of sports in developing well-rounded students. These yearly Sports Day competitions not only stoked the competitive spirit but also emphasized the value of cooperation, self-control, and leading a healthy lifestyle—values that are highly prized in the hospitality industry.

Annual Sports Day Report 2022-23

Somebody gives you an opportunity, say yes to it. So what if you fail? You won't know if you fail or succeed unless you try." —*Ann Meyers*

Playing sports can teach valuable life lessons and foster a sense of discipline, camaraderie & belonging. These are values we look at inculcating within our students to develop a holistic disposition. With this objective, we arrange annual sports day.

After the institution's anthem for the day and the raising of the flag, the event started with a student march. Dr. Rukshana Billimoria gave an inspiring and encouraging opening speech to the students about the need of instilling a sense of sportsmanship in them as well as their overall growth. Developing a love for sports and good reading habits the college general secretary and assistant general secretary took the oath.

At the start of the 100 meter race, The College Principals announced the start of the event. Dr. Rukshana Billimoria and Mr. Harish Suvarnasignaled the beginning of the race with a clap. On the track, heart-pounding races took place, while in the sports arena, thrilling long jump, shot put, and discus throw competitions took place. The tug-of-war competition was very exciting as participants displayed their physical prowess and feeling of teamwork.

The day came to a close with an awards ceremony when the champions of several categories received medals and trophies. However, the players' good sportsmanship was evident as they cheered for one another and recognized the hard work put forth by all.
