Dr Rukshana Billimoria,
Principal,
Anjuman-I-Islam Institute of Hotel Management,
Mumbai.

Ref: Team Building and Bonding for your teaching staff.

Dear Dr Rukshana,

Imagine having a **fab product, fancy office and impressive online presence**. However, your team indulges in blame game, one-upmanship and politicking. Will productivity rise? On the other hand, you have a simple office, decent social media presence, but a **team that synergizes**. They improve your offering, wow customers, and convert one-off patrons into **raving fans**. **Dream teams aren't found 'readymade'**, they are intentionally built.

Psychologist Bruce Tuckman studied the stages teams move through – **forming, storming, norming, performing...** Good news, Woosh Biz by HTI's **wild and wacky games (simulations)** get teams to perform, faster. For instance, **our PL & CM – Premier League & Carnival Masti** – recreate the corporate environment including the **competitive environment**.

We have curated a **Team Building and Bonding workshop** – to meet your specific needs. The simulations – **Brain Sprain, Art Attack, Dance Mania and Carnival Masti Games** – will bring out the learning with enjoyment, some good-natured cheating and blame game thrown in!

As discussed with the undersigned, your investment would be ₹3 lakh for 30 participants for 2 days November 6 and 7. Investment includes props, transportation, meals, games and facilitation by Senior Facilitator and assistant(s). Advance 75% payable at the time of confirmation.

We look forward to a mutually beneficial and long-term association.

Thank You.

Storm CostaBir,
Proprietor.
