About Conference

Globally, hospitality and tourism sectors have always been the biggest revenue generators in tertiary sector of any country with promising growth potential at different levels. However, this potential is not without challenges, issues and problems like; infrastructure, safety & security, service quality, availability of skilled manpower, digitization, cultural sensitivity, marketing and promotional issues and more. The theme of this National Conference has been weaved off in line with these challenges, with an aim of brainstorming solutions for such problems and issues.

Conference Objectives

- To Provide a platform for interactions and sharing ideas in the fields of Hotel Industry, Food Industry and other Hospitality Section like types of tourism etc.
- To offer a platform for advanced research related to Hospitality & Tourism Industry.
