1.3.1 B—Importance of Cross-cutting issues in transacting the curriculum

Anjuman-I-Islam Institute of Hotel Management is a renowned Hotel Management Institute affiliated with Mumbai University. IHM promotes cross-cutting issues in implementing the curriculum. The aim of having cross-cutting issues is that students gain a different perspective on the industry, and humanity and merge both factors together to become excellent hoteliers and flourish their career in the Hospitality Industry.

To implement we conducted 3 sessions of 3 hours each with First-year, second-year, and third-year based upon Cross-cutting under title 1. Professional Ethics: Professional Ethics in Tourism and Hotel Industry 2. Human Values in Hospitality 3. Environment and Sustainability: Green Practices in Rooms Division Management, 4. Gender: Gender Differences in Hospitality Industry: A Job Quality Index

- 1. Professional Ethics: Professional Ethics in the Tourism and Hotel Industry: as a dimension of Total Quality Management (TQM):** This learning session was conducted by Ms.Aditi Desai. This session was based on the article written by Ivanka Avelini Hoijevac and published in Taylor and Francis: Journal of Total Quality Management and Business Excellence (Vol.19; Issue 10). The aim of this paper was to emphasize ethics as a dimension of Total Quality Management as well as quality of life and work. Students learned that ethical components of the tourism and hotel industry are important as an industry has global growth.
